Corvino Ballet Classes reflect the teaching method developed over the past 50 years, first by Maestro Alfredo Corvino then subsequently by his daughters Andra Corvino and Ernesta Corvino. It is a unique approach to the understanding, practice and application of this class art form. Grounded in the organic principles of movement, it is anatomically sound, devoid of affectation, with great emphasis on musicality.

Danspace was founded in 1976 offering classes for children, teens and adults. Information about its programs can be found at www.danspace.com. The school has been residing at its location in the Rockridge neighborhood of Oakland, California since 1985.
