# about danspace

Danspace was founded in 1976 by Beth Hoge. Danspace continues to offer a positive learning experience in a caring and supportive environment, respectful of the individual. We teach developmentally appropriate classes centered in creative and natural movement.

## Serendipity

**AGES 3 1/2 TO 6**

Serendipity offers a fun and age appropriate class that introduces the dance elements of time, space and energy. Classes are grounded in musicality and foster awareness and creativity.

## Ballet 1

**AGES 8 TO 10**

Ballet 1 offers a developmentally appropriate introduction to classical ballet technique including learning port de bras and positions of the body. Classes include ballet barre, stretching and center work and are grounded in imagery and musicality.

## Pre-Ballet

**AGES 6 TO 8**

Pre-Ballet offers a creative movement approach while introducing basic ballet concepts. Classes are age appropriate and offer both child centered and teacher directed activities that foster self-awareness and dancing within an ensemble.

## Composition

**AGES 8 TO 10**

Composition offers an introduction to dance making focused on using the elements of time, space and energy to create and share movement studies. Classes encourage movement invention and offer an introduction to collaboration as they learn how to make dances together in duets and small groups.
